

## Scholarship Application

Scholarships are provided through the generous donations of congregations, presbyteries, and individuals in order that any camper who would like to can attend camp at Highlands Presbyterian Camp and Retreat Center. There are limited funds available, so we ask that you carefully consider your request, in order to help us provide for everyone. A scholarship may be granted for one camp each summer for each of your children.

While Highlands wants to ensure that no child or youth be denied a camping experience because of financial difficulties, **we do believe that every family should provide some dollar amount towards the total cost of the program.** Typically, Highlands' scholarship fund offers no more than 2/3 of the total fee of the program.

**Many churches provide scholarships to assist their members in attending camps/retreats. Please check with your church to see if they are able to provide assistance.**

Need based scholarships will be considered on a first come basis. Applications will be considered on an individual basis, based on the following criteria:

- Illness in family
- Single parent family
- Multiple campers in family
- Unemployment
- Low income
- First year camper
- Other serious extenuating circumstances

If your scholarship request is accepted, you will receive a letter indicating the amount that has been awarded to you. Recipients are asked to write a thank you letter telling about their camp/retreat experience. Letters should be addressed to "Dear Donor" and sent to Terry Buchanan at the address below. They will be forwarded to the appropriate donor and may be included in Highlands Presbyterian Camp and Retreat Center publicity.
