

Summer 2022

Dear Parents,

Your child is enrolled in a camp program that is licensed by the Colorado Department of Human Services. **As a licensed residential summer camp we are required to provide this information to parents.** The license indicates that the program has met the required standards for the operation of a residential summer camp. If you have not done so, please ask to see the license and the last facility inspection.

Licensed facilities make every effort to provide a safe and healthy environment for children. Unfortunately, on rare occasion, an incident of physical or sexual abuse may occur. If you believe that your child has been abused, you should seek immediate assistance from the Boulder county department of social services by calling 303-441-1002 (or the 24 hour crisis center at 720-944-3666).

Colorado law requires that residential summer camps report all known or suspected cases of child abuse or neglect.

We want summer camp at Highlands to play an important role in supporting families, knowing that strong families are important for a thriving community. Your child's physical, emotional, social, and spiritual development will be nurtured in a well-planned and run program. Remember to observe the program regularly, especially with regards to children's health and safety, equipment and play materials, and staff. For additional information regarding licensing, or if you have concerns about a camp facility, or if you would like to review a licensed facility file, please consult the Colorado Division of Child Care at 1575 Sherman Street, Denver, Colorado 80203-1714 or call 303-866-5088 or 1-800-799-5876.

Highlands Presbyterian Camp and Retreat Center is committed to providing an excellent summer camp experience for your child. Please contact Terry Buchanan, Interim Executive Director, at 303-747-2888 any time, with questions or concerns.
